Module 1: Lifestyle Analysis

It is very important to dress according to your role, you could be a working professional or a homemaker, analysing your lifestyle is necessary in order to understand your style requirements.

We believe every individual has his/her own personal style and we aim at elevating it.

1.1 - Lifestyle Analysis 1

1.2 - Lifestyle Analysis 2

1.3 - Lifestyle Analysis 3

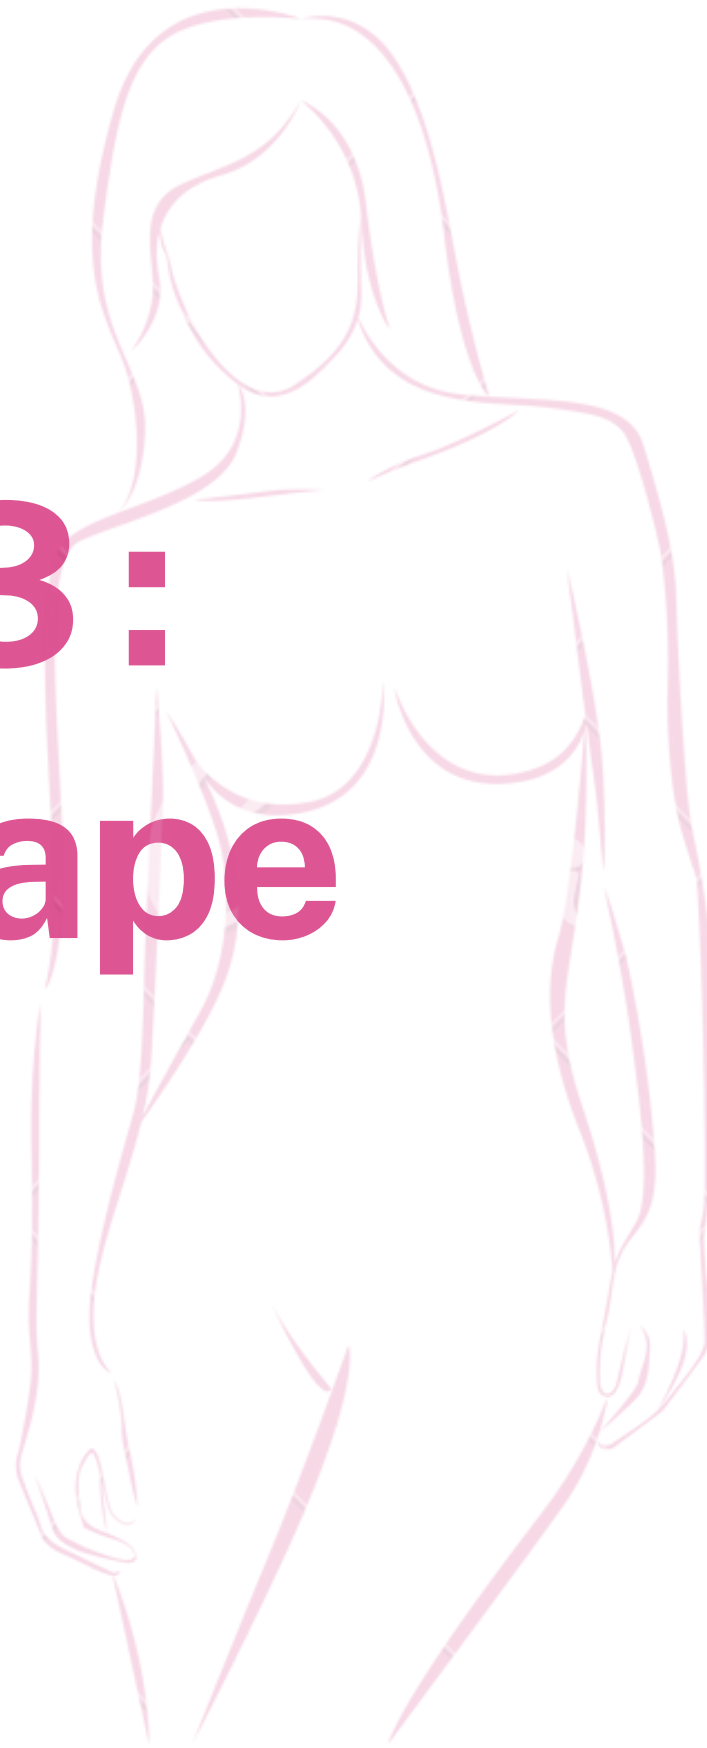

Module 2 : Personal Style Analysis

Do you know what your personal style is, or are you just wearing what's trending?
Well we are here to help you out! Find out your likes and dislikes with us. We can then combine your personal style with the trends and make a statement

- 2.1 - Personal style Analysis 1
- 2.2 - Personal style Analysis 2
- 2.3 - Personal style Analysis 3

Module 3 : Body Shape Analysis

Before recommending any styles, identifying your individual body shape and embracing it is an essential part. In this module, we identify the different aspects of your body and how you can positively accept it and enhance it.

3.1 - Introduction and Body shape Analysis

3.2 - Embrace your best and camouflage the rest

3.3 - Body positivity

3.4 - Conclusion

Module 4: Face Shape Analysis

Are you a round, square, oval, diamond, or a heart face shape? Don't know? Come find out with us! Your face shape plays a very important role in determining how you dress, groom and what accessories you need to acquire

- 4.1 - Introduction and face shape analysis
- 4.2 - Necklines and collars
- 4.3 - Eye wear as per face shape
- 4.4 – Jewelleries as per face shape

Module 5 : Features & Colour Analysis

The colours you wear, should compliment your most beautiful features such as hair, lips, skin and eyes. Find out the shape and colour of your features and wear colours and styles suggested by us to future enhance them!

5.1 - Features Analysis

5.2 - personal colour evaluation

5.3 - Facial Features consultation

5.4 - Makeup consultation

Module 6 : Wardrobe Evaluation

It is very important to evaluate your current wardrobe possessions to understand if they match your lifestyle, your values, personality traits, physical traits and clothing preferences, as well as your image problems, needs and goals or not. We will be prepared to help you accomplish your image improvement goals or objectives.

6.1 - Evaluation

6.2 - Sorting clothes you like, dislike or never wear and discovering what works, what doesn't and why

6.3 - Enabling you to discard and accumulate your clothing wisely.

Module 7 : Personal Shopping

In continuation with our previous module, we then execute our additional requirements for your wardrobe. You can opt for a shopping session with the stylist or trust the stylist with a budget and let them do their best for you.

Module 8 : Lookbook

Moving towards the fun part, we provide a lookbook according to our entire analysis uptill now.

8.1 - Styles suited - Western

8.2 - Styles suited - Traditional

8.3 - Clothing for Formal and Casual

8.4 - Level of clothing

8.5- Outfits as per roles, goals and occasion

Module 9: Etiquette Training

It 's not only about your dressing but also about how you present yourself. Your social or business behaviour what we call Etiquette can make or break a deal. This session consists of general, dining, corporate, cross cultural etiquettes and more.

- 9.1 - General
- 9.2 - Dining
- 9.3 - Corporate (if required)
- 9.4 - Cross cultural
- 9.5 – Digital Etiquette
